

THIS SATURDAY June 2, 2012. 12:00 noon

The fresh egg hunt is firm. We ride the Minnesota river , then out past Young America we stop at a farm near Henderson. Grab some eggs and head to a park, Cook Fresh egg burritos on a portable stove, have some beverages and go home. **BUT WE NEED HELP** . We have to pack cooking stuff. So be prepared to carry something and put a few bucks in for food and beverages.

NEW or first time riders
You are welcome to ride with us but please identify yourself to a club member. We'll want to go over a few safety items. Let's make this enjoyable for everyone. Rides start at Whiskey Junction every Wednesday at 6:00 pm and Saturday

May 30th. Fred Jr. is leading a riotous 100 mile plus adventure to the Cardinal Bar in South Minneapolis. It is really about 2 miles from the Junction, but he is taking the long route.

Treasurers NOTES

We still have room for more road captains. Sign up on the web site or contact the secretary. We also have a lot of West Bank swag including member patches, tee shirts and other stuff.

Milo Kendall

SAFETY:
Is a radial car tire good for a bike. Ask Clay or M. Brier. They both use them and besides looking cool, say they get great traction without stability problems.

"Yeah, we ride, what of it Butt cake."

Ride reports and notes to the editor.
Yes we ride in the rain.
